# Magic Mirror

I've got a magic mirror  
I use it every day.  
It makes the world much clearer,  
helps me find my way.

I've got a magic mirror  
You can use it too.  
When you look in it  
you see the good in you.

I've got a magic mirror  
I keep it in my heart  
it makes the world much nearer  
No one is apart.

I've got a magic mirror,  
you can use it too.  
When you look at me  
you'll see that I'm in you.

Don't believe in everything  
you hear.  
Don't believe in everything  
you see.

Watch all the hate just  
disappear,  
when you stand  
beside me

We've got a magic mirror  
We use it everyday  
It makes it all much clearer  
it helps us find our way.

We've got a magic mirror.  
You can use it too.  
When you look at us  
you'll see that  
that we're in you.

Learn to be a person  
who can see.  
Learn to be a person  
who can trust.

You create a new  
reality,  
When you stand beside  
us.

We've got a magic  
mirror,  
we keep it in our  
hearts.  
It brings us all much  
nearer.  
No one is apart.

We've got a magic  
mirror.  
You can use it too.  
When you look within  
you'll see the real you.  
When you look at us  
you'll see that we're in  
you.
