

The New Day

Hope

Barry Lane & Colleen Mestdagh

The time I had a very bad day...

What is Hope?

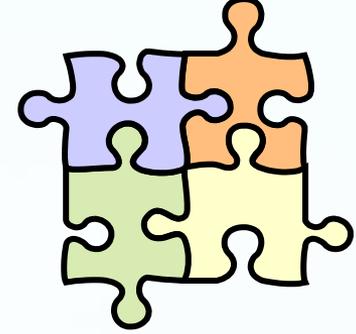

Let's Chat!

- When we have a bad day, what do we hope for?
- Can we have hopes for each other?
- What do you think other people in the world hope for?
- Do you have hopes for our world?
- How could we make those come true?

Connections

- Have any of you hoped for something to change?
- Have you ever had a hard time having hope?
- Can you think of a time you made your hope come true?

Soak in the Song!

- Let's just listen to the song, let is soak in!

Now is the New Day

No more worries,
no more fears,
something new between the ears
when someone hits you turn your
cheek
you own the world when you are
meek for

Now is the new day.
Now is the new day.
Now is the new day.
Now is the new day.

Don't judge me by my skin.
Take the time to look within,
The train of truth is on the track
When no one talks behind your
back cause,

Now is the new day.
Now is the new day.
Now is the new day.
Now is the new day.

Man and woman both are wings
the bird it soars, the bird it sings,
Much more love and much less
hate
Watch the world cooperate, cause,

Now is the new day.
Now is the new day.
Now is the new day.
Now is the new day.

We are the mixed fruit
of one tree.
Live in peace and unity.
Forget the old,
embrace the new,
less me, me, me
more you, you , you.

Now is the new day.
Now is the new day.
Now is the new day
Now is the new day.

People hungry,
People scared,
They don't know
how much we care.
Face the sun,
soak up its rays.
It's time to find a better way.

Now is the new day
Now is the new day
Now is the new day
Now is the new day
